### ABOUT MICO DESIGNS

With design headquarters in Scottsdale, Arizona and production centers in Italy, MICO Designs is a global brand on the leading edge of innovation in fine faucets and fixtures for the kitchen and bath. Under the leadership of founder and creative director Michael Isaacs, Mico has set the highest standards for design and craftsmanship, continually translating industry trends into new inspiration while insisting on exacting protocols for quality and service. The company reinterprets traditional designs into fresh looks, offering styles to compliment a wide array of decors, from classic to contemporary. Mico faucets are built to last a lifetime, using solid lead-free brass, premium ceramic disc cartridges, and amazingly durable finishes for years of reliable performance and enduring beauty. Mico offers an extensive line of faucets and bathware with coordinating accessories to create a fully cohesive design space. Their continuing commitment is to be excellent in what they do – every faucet, every time.

## A New Twist on Traditional Design

### SIMONE COLLECTION OF KITCHEN FAUCETS

As part of MICO's traditional collection, the Simone is certain to be the beautiful yet hard-working centerpiece of any kitchen. Its high-arch spout accommodates even the largest piles of dirty pots and pans, while a convenient side sprayer is nearby for quickly rinsing dishes or washing fresh produce. In keeping with exacting brand standards, Simone faucets are crafted in Italy of the finest components.
